

TBD-SP-0003 Rear Support Brackets Installation Instructions

TBD-SP-0003 rear support brackets can be fitted to the rear of the TB7300 to provide additional support when the base station is mounted in a rack.

 These brackets are only suited for use in a rack with a rear mounting rail at 15 in (380 mm depth).

Contents of Kit

Qty.	Part Number	Description
2	302-05282-00	TB7300 rear support bracket
2	346-00005-08	Button head socket scrw M5x8

Installation

The two rear support brackets supplied in the kit are identical and can be used on either side of the TB7300.
